III.	Submitter Change Submission Details.....	5
IV.	Specify Inactive Period.....	7

# I. Introduction

This section will cover how to enter Basic information into the WUR System. The Basic information is the reporting of Water Volume used over a specific period of time.

In order to Submit or Change Basic Submission Details, from the WUR home page select Licence List from the Menu Options or the blue Hyperlink. If unsure on how to get to this screen (Figure 4.0), refer to Document 1, Section IV – Login/Modify your Account (Page 19).

Figure 4.0

A list of licences that you manage will appear. Click on the Licence, highlighted in blue, in order to Make a Submission, Change a Submission or enter an Inactive Period (Figure 4.1).

Figure 4.1

Click on the blue Licence Location and the Licence Menu Options menu will appear for use on the left hand side of the screen (Figure 4.2).

Figure 4.2

To Add a submission continue to II. Submitter Add Submission Details (Page 4), to Change a submission continue to III. Submitter Change Submission Details (Page 5) or to Specify an Inactive Period continue to Specify an Inactive Period (Page 7).

## II. Submitter Add Submission Details

To submit for this Licence click Add Submission from the Licence Menu Options (Figure 4.3).

## IV. Specify Inactive Period

Some Licence Locations will go through extended periods for which no allocated water is being used. In situations where this is the case, the Specify Inactive Period functionality is provided to you as a fast and efficient means of conveying this information to Alberta Environment.

To specify an Inactive Period click on Inactive Periods located on the Licence Menu Options (Figure 4.15)
